Mega Deal Engineered European Rustic Oak Flooring 14mm x 150mm Natural Lacquered

If it's a traditional wood-floor look you're after, then Mega Deal Engineered Rustic Oak Flooring 14mmx150mm Natural Lacquered deserves your attention.

Planks and lively grain markings give this quality oak floor a relaxed feel that will make any room feel instantly more homely. Featuring the attractive swirling patterns, multiple knots and colour variation that is characteristic of rustic-grade oak, the boards have been sanded smooth and finished with matte lacquer for a tough, durable finish that guards against damage and is also easy to care for; vacuuming and the occasional damp-mopping with recommended care products is all it takes to keep this floor looking its best.

The classic-width (150mm) planks – in lengths of up to 1200mm – help to achieve a natural varied look in any suitable room of choice.

Offering exceptional stability, the floor features a high-quality multi-layer construction of several layers of plywood topped with a 3mm hardwood wear layer for a dense feel underfoot and optimum grain definition. With a traditional tongue-and-groove fixing, this load-bearing floor requires professional installation for best results.
