Galleria Professional Solid European Nature Oak Flooring 20mm X 200mm Rich Snow White Oiled

A true wow-factor floor, Galleria Professional Solid European Nature Oak Flooring 20mm x 200mm Rich Snow White Oiled boasts pale cream and white tones that will look fantastic as part of a contemporary scheme.

Made from quality European oak in a nature grade characterised by natural variation, limited mineral streaks, occasional sapwood and occasional small and medium sized knots, the boards have been brushed and given an oil finish to enhance the wood's natural beauty. This floor is easy to keep clean with regular vacuuming and damp mopping.

The wide, random-length planks (500 - 2000mm) give a relaxed, welcoming look, and are an ideal size for balancing the proportions of large rooms. Galleria Professional Solid European Nature Oak Flooring 20mm X 200mm Rich Snow White Oiled is made 20mm thick from a single piece of carefully selected European oak to give an unmistakably premium feel and is suitable for load bearing use. For best results, we recommend this tongue-and-groove floor is fitted by a professional.

Product Details

Code:	SOL-GA-20-209
Brand:	Galleria Professional
Construction:	Solid
Species:	Oak
Grade:	Nature
Design:	Plank
Surface:	Brushed
Finish:	Oiled
